## TRUSTEES' REPORT

We respectfully submit the following report. Last year, we asked in the budget for enough tax to pay \$3000 on the outstanding temporary loan with the Franklin Co. Savings Bank of \$6000. Also, we expected to pay a total of \$3000 on the bus loan with Farmers Trust Co., which loan was for \$6500. We are pleased to report that we have been able to pay the full amount of \$6000 for the temporary loan and have also paid the bus loan of \$6500 in full which leaves no outstanding indebtedness other than the bonds with the Farmers Trust Co. on which we pay \$5000 annually.

Due to the fact that practically all eligible students have been covered by drivers' training course we do not feel it necessary to continue same for coming year. But we do feel that it should be taken up again in 1951-52.

The amount budgeted for new equipment this year is higher for the fact that we do require new desks and want to install lockers in the high school which should enable the students to take better care of their school supplies and clothes.

We have increased tuition rates to the maximum which the state law provides and with anticipation of approximately same state aid and Federal aid for Home Ec, we feel that the tax can be reduced from the \$3.20 of last year to the recommended \$2.75 tax which will not be any more than is actually required for efficient operation.

We feel that we are giving the students of Milton High School as complete a course of study as can be obtained in any school comparable in size, anywhere in the State, and certainly do appreciate the cooperation of all parents and taxpayers.

We want to express our thanks to our Superintendent, Mr. Demeritt, for his efforts in obtaining teachers and his suggestions at school board meetings which he has attended regularly.

We would like to say again, that board meetings are held regularly the 1st Wednesday of each month and anyone interested is cordially invited to attend.

Respectfully submitted,

Walter Hayden,  
Arthur Mayville,  
Alan Rouse.
